Directions:

From North: Take Hwy 60 south towards Devon ▪ Turn west on Graminia Road for 5 km... If you go over the bridge you need to turn around and follow the directions listed below

From South: Take Hwy 60 north through Devon and over the river ▪ At the top of the hill after the bridge, turn west on Graminia Road for 5 km...

You will see the ride site on the north side of the road ▪ Turn right on the road immediately past the hall and take the second driveway in

The trail is a mix of fields, single track, ditch, and cow pasture. The long distances will encounter sharp unavoidable gravel for a couple miles.

-Hoof protection is strongly recommended for the 50 and 75 mile!

-Intro and 25 has minimal gravel and is barefoot friendly.
